# STRUCTURE OF EVENT:

## CONDITIONS AND RIDING

- **16 Riders**
- 5 Rounds, total competition time of 3 hours and 17 minutes
- Competition will only run when the conditions are suitable, being a **minimum of 30 knots** of wind for the entire duration of the competition.
- Shorts lines are classified as anything **14m or less**.
- This competition is about **extremity**

## JUDGING CRITERIA:

- Extremity is the wow factor in short lines riding, therefore, the judging will be swayed heavily towards that.
- Judging of a trick will be weighted **30% height, 70% extremity**.
- **Variety score** will make up 25% of the total score.
- **Top three tricks** will be counted towards the total score.
- We will have a riders meeting to clarify and discuss.

## HOW TO ENTER:

To enter, complete [this online entry form](#).

In this form, you will be asked to upload a video link (URL to Instagram or YouTube) of your short lines riding.

The video does not have to be specifically made for the competition, but a compilation of clips would be best to better showcase your skills.

Riders will be announced on **Tuesday 8 December**.
