THE BIG WOOP!

RULES AND HOW TO PARTICIPATE

The competition will be run in front of **High Five**, 68 Beach Boulevard, and in the **Bloubergstrand** area. *Sessions recorded outside this area (i.e. Misty Cliffs, Hermanus etc.) will not be counted.*

The goal of the competition is for riders to demo these awesome Lieuwe boards and experience the thrill of recording your jump heights through the epic new WOO 4.0 technology while participating in a fun community building competition.

Step One: REGISTRATION:

Before participating, riders will need to come to High Five to register. Upon registration (waiver and information), you'll be allocated a Lieuwe board and a WOO device for your session.

If you already ride a Lieuwe board, you will be able to participate on your own board - ask for further information upon registration.

Step Two:

Go out for your session in front of High Five and give it your best, send it to the moon and try to break your PB.

There's currently no time limit for each session, but we may introduce one based on demand.

Step Three:

After your session, return to High Five to hand in the board and WOO. Download your session and get your name on the leaderboard.

How to upload onto the BIG WOOP leaderboard:

Download the WOO App and create a profile.

Upload your session using the #highfivexlieuwe2025 tag.

Our team will be available to help you with this process after your session.

Step Four:

Enjoy the vibes, the banter, the community fun of the competition by having a sunset drink after your session and chatting to other participants. **Participate as many times as you like** throughout the competition period (ends 3 February). We will be open every windy for the competition to run.

Lieuwe boards and WOOs will be available on a first come first serve basis - we will do our best to get everyone involved throughout the windy days.
