## RULES AND FORMAT

### BASIC RULES:

This competition is a chance for you to demo the custom made Lieuwe kite boards and experience the thrill of recording your jump heights through the epic new WOO 4.0 technology.

The competition area is in front of **High Five, 66 and 68 Beach Boulevard**, Table View, where all riders will have their sessions. This is to keep the general stoke of the competition constantly flowing and to be able to monitor and record the sessions on the physical leaderboard at High Five.

### BOARD AND TECH SETUP:

We have a number of custom-made Lieuwe twin tip boards (Falcon, Shotgun, Oceana), each equipped with a WOO 4.0 mount. We will provide a WOO for you too.

### REGISTRATION AND EQUIPMENT ALLOCATION:

**Step One:** Sign up at High Five Kite School, 68 Beach Boulevard. Upon registration (waiver and information), you'll be allocated a Lieuwe board and a WOO device for your session.

**Step Two:** Follow @highfivekite, @woosportskite and @lieuweboards

**Step Three:** Go out in front of High Five and give it your best, send it to the moon and try to break your PB. Whether it's 2m or 22m, we are here for it!!

There's currently no time limit for each session, but we may introduce one based on demand

**Step Four:** After your session, you will come back to High Five to return the board and download your session. Your name will be added to the Big WOOP leaderboard for 2025.

**Step Five:** Tag on your session on the WOO app under the #highfivexlieuwe2025 leaderboard

### UNLIMITED ATTEMPTS:

Feel free to have as many sessions as you like. The only potential limit is time, which will be managed by the High Five team to ensure fair leaderboard opportunities for everyone.

## OTHER INFORMATION:
